

Evidencias Gobierno Digital chat bot unp

The screenshot shows a Microsoft Teams chat interface. At the top, the chat title is "[UNP] Taller AI BOT" with a "Chat" tab and "Archivos" (Files) option. A message from "Usuario desconocido" (Unknown user) is timestamped "30/09/2021 9:12 a. m.". The message content includes a link to "microsoft/BotFramework-WebChat: A highly-customizable web-based client for Azure Bot Services. (github.com)". Below the link are two preview cards: one for the GitHub repository and another for a Microsoft Docs article titled "Authentication - Bot Service". The GitHub card shows the repository name, a description, and the URL "github.com". The Microsoft Docs card shows the title "Authentication - Bot Service", a snippet of text, and the URL "docs.microsoft.com". Below the message, there is a meeting summary: "30/09/2021 9:51 a. m. Reunión finalizada: 1h 51m 38s". A notification states "Luis Alejandro Becerra Rojas ya no tiene acceso al chat." (Luis Alejandro Becerra Rojas no longer has access to the chat). At the bottom, a system message reads "No puede enviar mensajes porque no es un miembro del chat." (You cannot send messages because you are not a member of the chat). The bottom of the chat window features a toolbar with icons for text, emojis, GIFs, and other chat functions.
